

## JUNCTION BOX PLATE BLACK

Strong accessories that enable mounting on posts, walls or in a corner, among other places. The Junction box plate can be used high on posts for one luminaire or to connect several luminaires together. The Mounting plate distribute the weight more evenly and have prepared holes for installation of luminaires. The Corner bracket is a mounting accessory for those who want to place their luminaire in a 90° corner. The square pole top is intended for 1-4 luminaires - perfect for areas where a lot of light is needed. With the linear pole top accessory, you can point 2 luminaires in the same direction, depending on where you want the light. The Pole attachment is intended for installation of 1-2 luminaires and is suitable for posts of 55-90mm diameter.

### DESCRIPTION

<b>GTIN:</b>	7392971146300
