

## SPOT FINDER KIT

With Spot Finder in Spot Guard Gles, a simple and quick magnetic search finds the right place for the cut-out when the ceiling is in place. Wind up and collect the wires together so that it is not caught between plasterboard and Spot Guard Gles or in the drill. The kit contains 6 Spot Finders for placing in Spot Guard Gles, plus 1 search magnet. Spot Guard Gles has been updated with 5 fixing brackets for alternative locations where Spot Finder is simply pushed up and twisted into place with no tools needed.

### DESCRIPTION

<b>GTIN:</b>	7392971139777
<b>Item Name:</b>	Spot Finder Kit
