MOUNTING CLIPS PROFILE ART SLIM LOW

Secure your installation over time with installation clips. Profil Art Slim installation clips are the accessories that ensure your installation holds over time, where tape would risk coming off. Perfect for our LED strips with height up to 4mm with Low or 5-6mm with High. The clips are transparent and made of UV-resistant PVC which makes them suitable for installation both indoors and outdoors. Installed without tools with simple snap function directly in Profil Art Slim. Comes in packs of 10pcs.
