PROFILE 30X30 RECESSED WHITE 2M

Profile 30x30 is a U-profile that fits several LED strips in our range. The profile facilitates installation and gives the lighting a professional frame. Available for both surface-mounted and recessed mounting and supplied with pre-drilled holes for quick and easy installation. The profile is available in three colours, white, black and aluminium, and can be supplied in any colour on request. For extra flexibility, accessories such as extension arms, profile brackets, covers and end caps are also available.
