PEAK E27 GREY

Wall luminaire in classic design for large and small facades that creates a wide light distribution and illuminates both wall and ground. With E27 base, you can choose your own light source (not included). IP23 classification with durable powder coating to withstand our Nordic climate. Easily installed thanks to separate rear element and push-in, loop-in, loop-out terminal block for direct connection to 230V. Rear element also with integrated spirit level for easier installation. Comes with spacers for surface-mounted cable routing.
