DECORATIVE FRONT PIXO M WHITE

Description

Decorative fronts for the Pixo facade light customize the luminaire's expression. Glare-shields the light for a directed and pleasant illumination while reinforcing the design language. Suitable for both private and public environments, indoors and outdoors.

Light Technical Data

The decorative fronts affect the light pattern by glare-shielding and directing the light.

Color and material

Available in two variants across multiple colors. Choose between a smooth front with subtle texture or a wave-shaped front. Can be painted in any color upon request.

Measurement and installation

Easy to mount, allowing quick customization of both light pattern and appearance.
