NUMBER SIGN PIXO S WHITE

Description

As an accessory for Pixo S and M, house numbers can be integrated directly onto the luminaire.

Light Technical Data

Illumination from the luminaire highlights the house number, making it clearly visible in the dark.

Color and material

Available in white, grey, black, or rust. Delivered complete with adhesive labels containing numbers (3x 0–9) and letters (3x A–J).

Measurement and installation

The house number plate mounts easily to the underside of the luminaire, allowing fast customization directly during installation. Note: do not mount in combination with Pixo front Wave.
